

**THE LOUISVILLE ENERGY ALLIANCE
INVITES YOU to CHECK OUT
TIPS, TECHNIQUES and LOCAL RESOURCES
to IMPROVE YOUR BUILDING'S ENERGY EFFICIENCY**

**Thursday, October 29, 2009
Louisville Memorial Auditorium
970 S. Fourth Street**

**Registration required ONLY for Portfolio Manager Training Classes, due to limited
computer availability.**

Parking available in lot at 5th and Kentucky Streets

Confirmed Resource Sessions:

Introduction to Portfolio Manager

Leslie Cook, ENERGY STAR Public Sector Manager

8:30 – 9:25 a.m. Computer Lab, 1st Floor

1:00 – 1:55 p.m. Computer Lab, 1st Floor

So you want to get a handle on your building's energy use, but aren't sure where to start? Leslie Cook will walk you through Portfolio Manager, ENERGY STAR's free interactive energy management tool that allows you to track and assess energy and water consumption across your entire portfolio of buildings in a secure online environment. Learn how to set up an account, enter your building characteristics and energy use, and generate a baseline statistic and other useful information. Bring past energy bills, if desired. Benchmarking your building in Portfolio Manager is required for participation in the 2010 Kilowatt Crackdown. **CLASS SIZE IS LIMITED** – Register by clicking [HERE](#).

LG&E's Commercial Rebates and Audits Program

Jennifer Rao, E.ON Energy Efficiency Program Manager

8:30 – 9:25 a.m. Ball room, 2nd Floor

1:00 – 1:55 p.m. Ballroom, 2nd Floor

If you are a commercial rate payer and are contemplating energy improvements in lighting, pumps and motors or refrigeration, come and learn how you can earn up to \$50,000 in rebates per facility each year. Also learn more about the Commercial Energy Audit Program, offered to commercial customers at no additional cost.

Green Steps to Achieving Sustainability: Financial Considerations

Jim G. Oiler, PE; Lenny S. Gant, CPA; Stephen M. Lukinovich, CPA, CVA; Chilton & Medley PLC

8:30 – 9:25 a.m. Room 4, 2nd Floor

To get green you have to build green. Energy efficiency improvements can be a significant investment. Learn about important financial considerations and tools, including benefit calculations, real estate tax law changes, bonus depreciation, federal and state tax credits, etc.

Improving Energy Efficiency the Low Cost / No Cost Way

Leslie Cook, ENERGY STAR Public Sector Manager

9:30 – 10:25 a.m. Ballroom, 2nd Floor

Energy savings of up to 10% or more are possible with little capital investment. Learn about strategies to improve your building's energy efficiency with low cost/no cost measures, including "tuning up" equipment, optimizing building operations, and motivating employees to make smart energy choices.

Commercial Demand Conservation**Arney Robinson, E.ON Energy Efficiency Program Manager**9:30 – 10:25 a.m. Room 4, 2nd Floor**Benefits of HVAC Maintenance for Energy Efficiency****Thembi Tillman, E.ON Energy Efficiency Program Manager**10:30 – 11:25 p.m. Room 4, 2nd Floor**Tax Savings Opportunities****Bud Watson, CPA, Managing Member, Concord Energy Strategies, LLC**

Potential tax savings are available to commercial building owners and designers involved with energy efficient construction and design. Topics covered will include tax provisions pertinent to building owners, managers and designers in the federal Energy Policy Act of 2005 as well as applicable Kentucky tax law.

1:00 – 1:55 p.m. Room 4, 2nd Floor**Best Practices to Improve: EPA's Building Upgrade Recommendations****Leslie Cook, ENERGY STAR Public Sector Manager**2:00 – 2:55 p.m. Ballroom, 2nd Floor

Free up your cost-saving potential by improving the energy efficiency of your buildings. EPA has developed the ENERGY STAR Building Upgrade Manual to assist organizations in planning and implementing profitable upgrades. Learn about best practices for developing a comprehensive energy management strategy, and maximize energy savings by following the five building stages: Retrocommissioning; Lighting; Supplemental Load Reduction; Air Distribution Systems; and Heating and Cooling Upgrades.

Reading Your LG&E Bill and Verifying Rate**David Daniels, E.ON Manager, Business Service Center**2:00 – 2:55 p.m. Room 4, 2nd Floor**KEEP CHECKING BACK FOR ADDITIONAL SESSIONS!**
